## Growing Business Center

Pepperell Place was originally built for the Bemis Bag Company in the 1920's, after which it served as a storage facility. Today, it is a thriving business center offering a wide variety of spaces, from single office suites to 60,000 square feet of contiguous industrial space. All tenants have access to our common conference room, break room, and fitness center. The building features numerous upgrades including a new roof, bathrooms, and parking areas.

Pepperell Place is owned and managed by The Lexvest Group, a privately held real estate development, investment, and advisory firm headquartered in Shirley, MA that operates a portfolio of commercial properties in Maynard, Shirley, Pepperell, Littleton, Lexington, Truro, and Provincetown, MA. The Lexvest Group provides its tenants full real estate services with in-house construction management, facilities management, property management, and a dedicated tenant services director to ensure that our tenant's needs are always properly addressed. Our team of professionals recognize that real estate is more than just bricks and mortar – it's a great place to grow your business.
